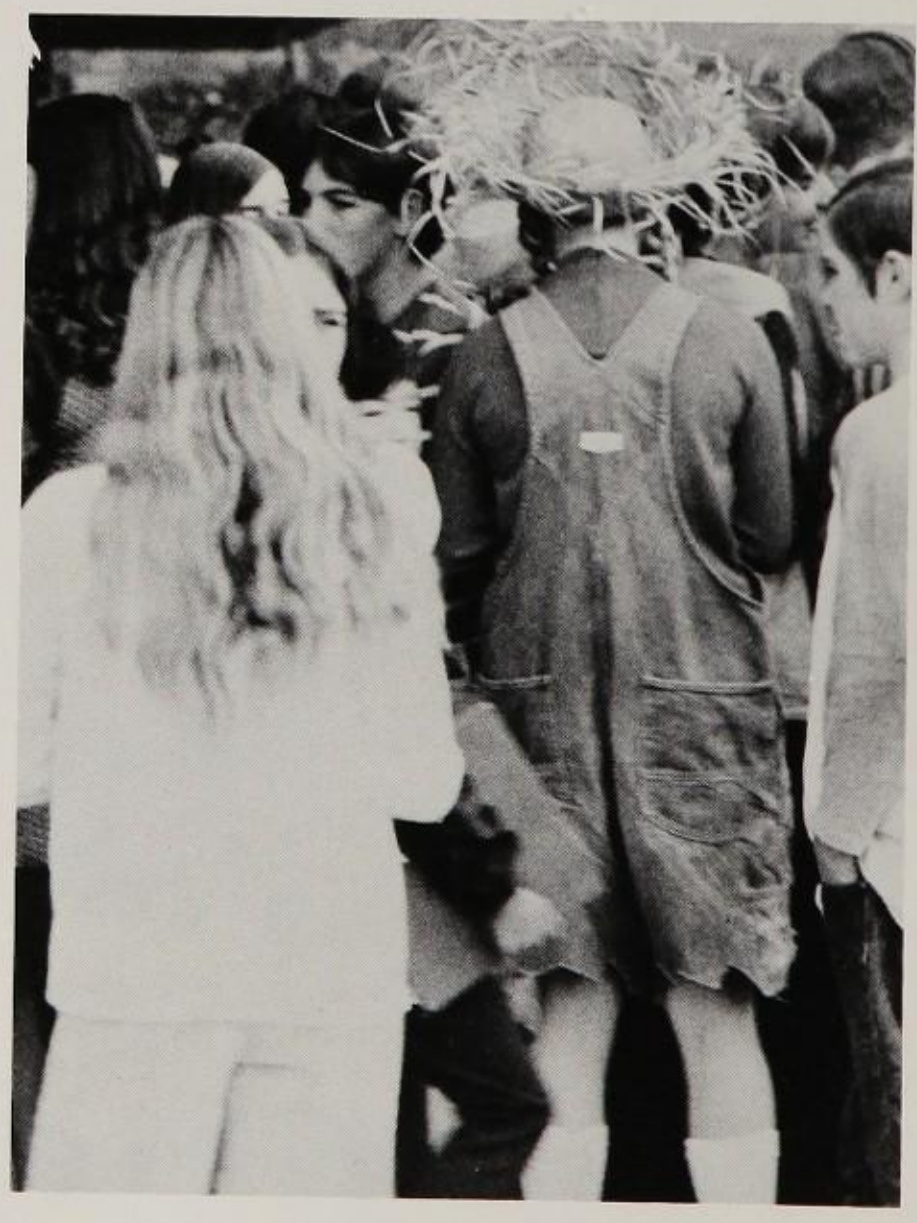
Lancers' year in

Dale's year started with the football season.

Our band and auxiliary units have performed and competed in many parades and at many schools through the years.

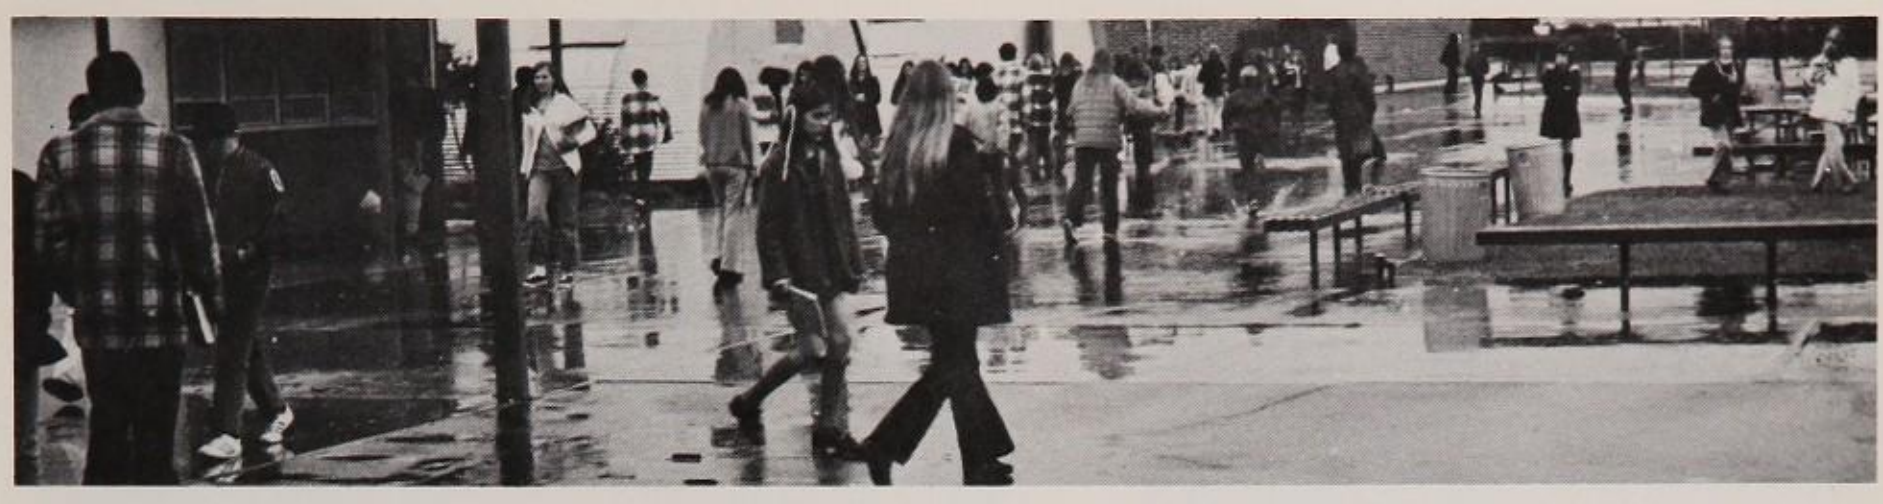
The basketball season followed football.

Some of Dale's students talked back to George Putnam on TV.



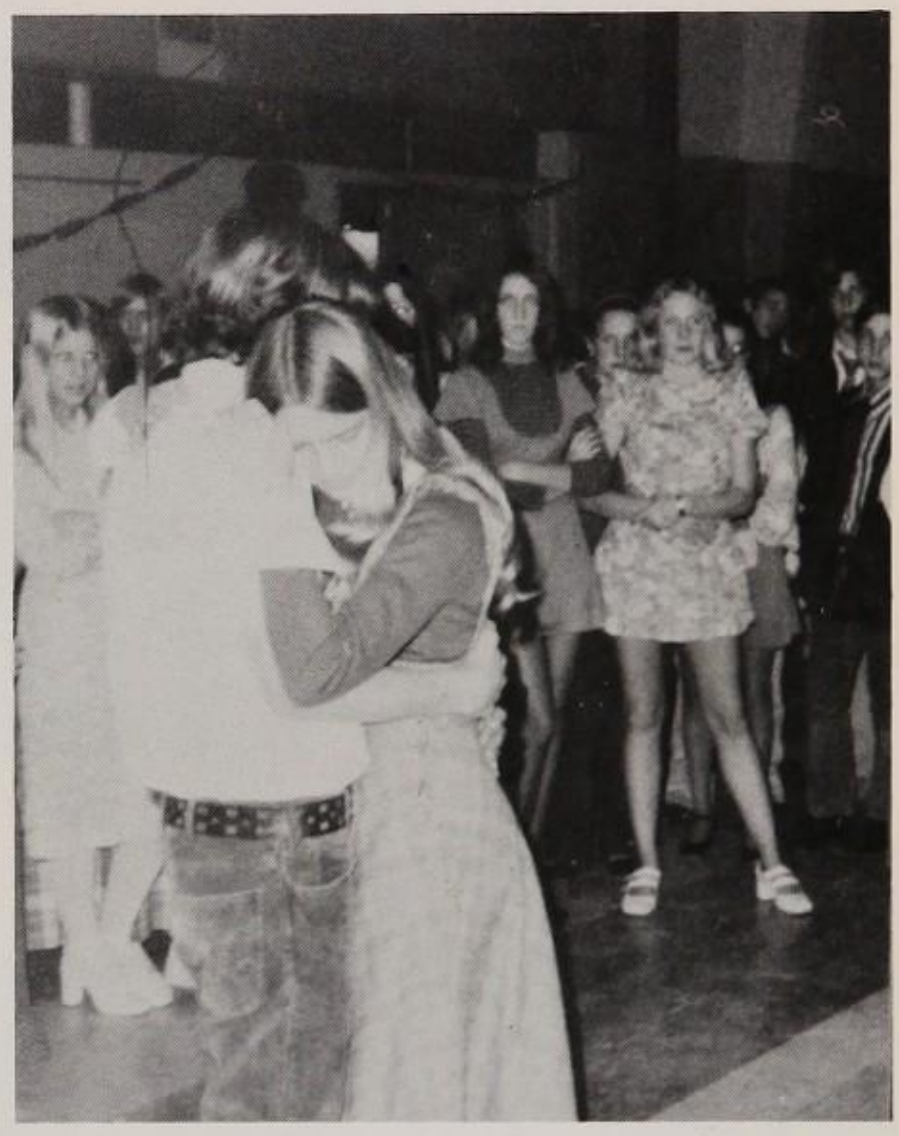
Many students dressed like hillbillies for Sadie Hawkins' Day, and a dance was held that night.

pictures in 72-73



Do you remember all those rainy days we had?

Students, parents and teachers formulate goals and objectives for Dale at a GO committee meeting.



The Christmas dance was one of the many teen dances held at Dale this year.

Clash Day at Dale was another day when students could dress up for fun.

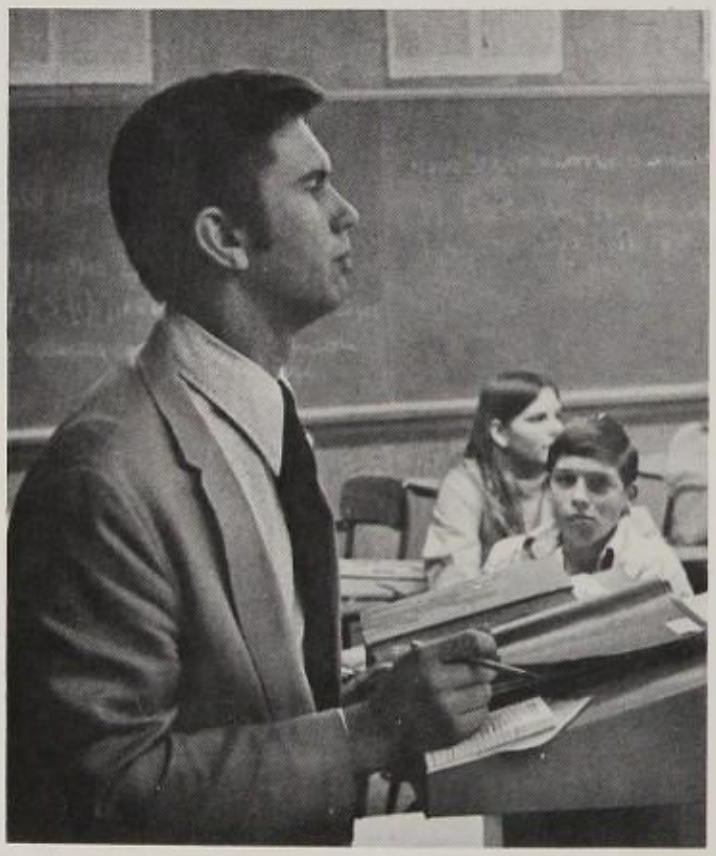
Here is a scene from one of the many plays performed by the Dale Drama Club.

Lancers have many

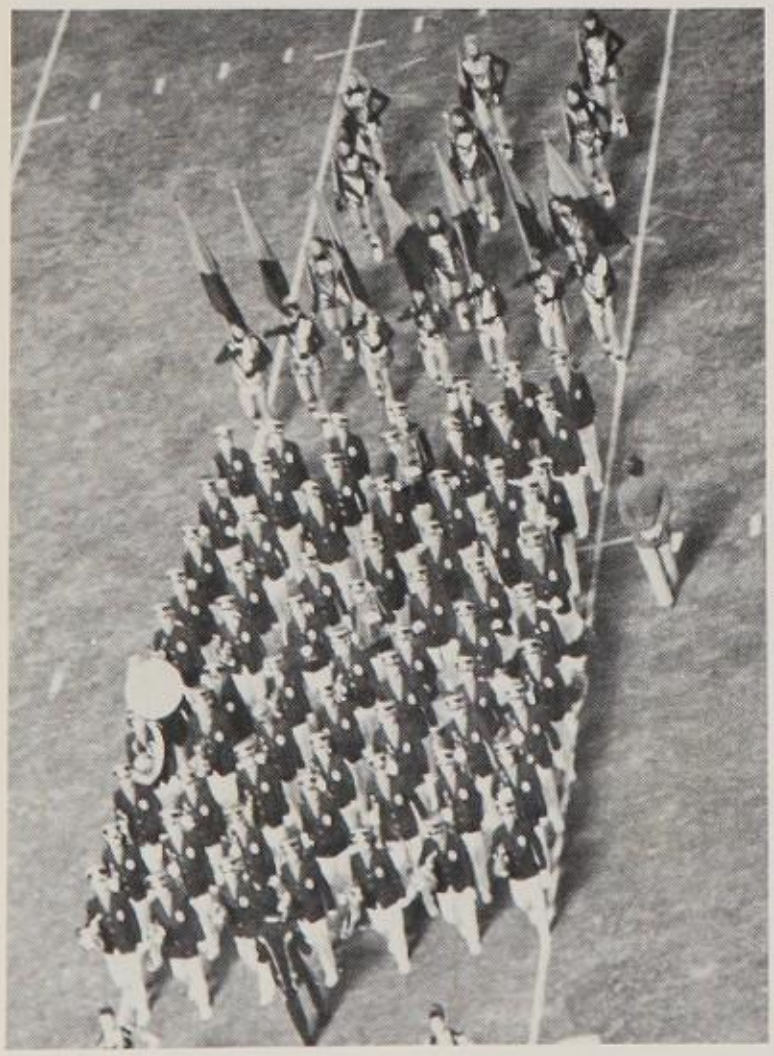
Sewing is a basic part of homemaking.

Artistic talents are developed in the art department at Dale.

Industrial Arts is fun and also rewarding.



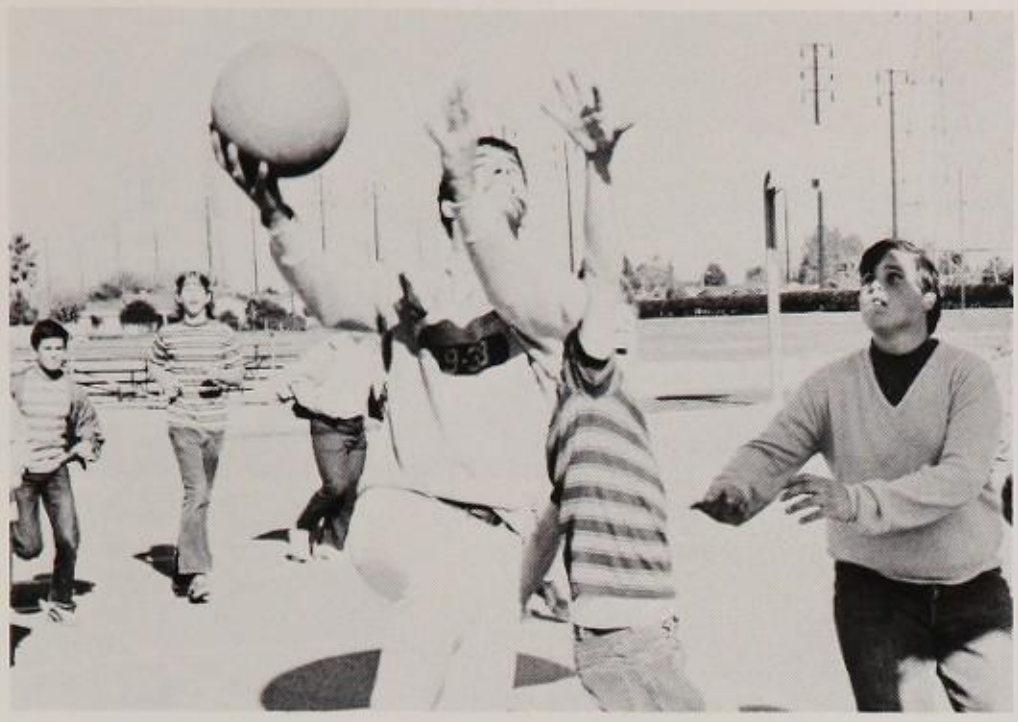
The English department offers Lancers many opportunities.



The band marches in the band spectacular at Anaheim Stadium.

All eyes are on the copy in this typing class.

academic opportunities



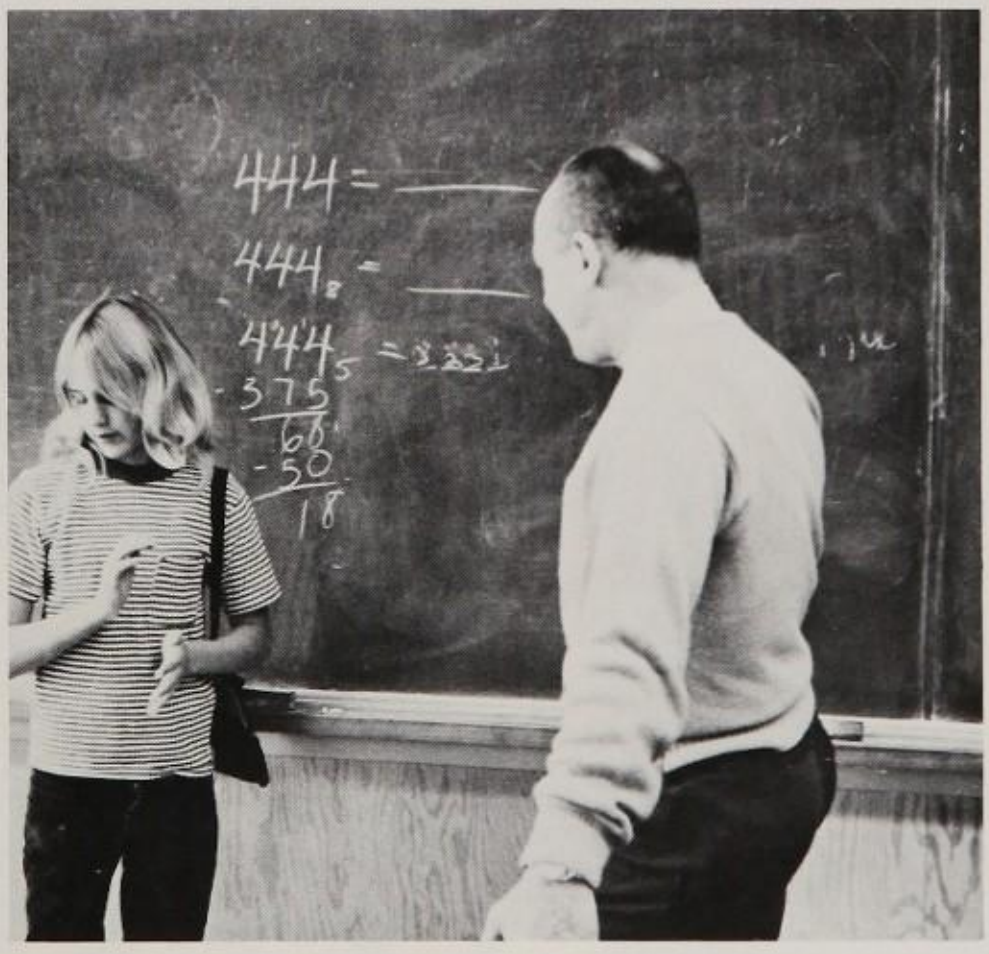
The boys P.E. department teaches skill in many sports.

Science is very educational and fun. The science department offers science classes for 8th and 9th graders.

The girls P.E. department teaches skills in gymnastics.

History classes teach about the past and present of different countries.

Students have many choices of foreign languages which they want to learn.



The mathematics department helps students during class as well as before and after school.

A person is judged great by his positive qualities

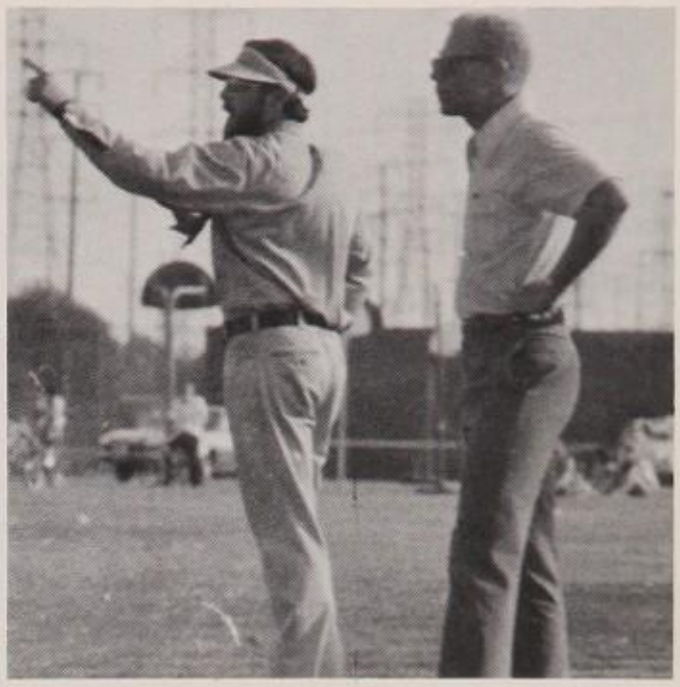
Coach Gunn

Can't play without us

Although the varsity squad was not a championship team every game played was hard fought. Coach Gunn, coach Gilpin and the entire football team should be commended for the effort they put out.

The highlight of the season for the team was the crushing defeat of South by the score of 42 to 26. The Lancers came on strong by winning the last two games of the season.



"Get that ball"!!

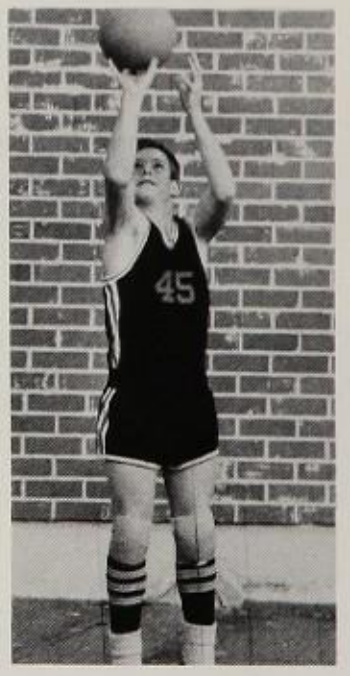
Coach Carr

Mike Frick



Ron Hunt

Although this season has not been the best in Dale's history, we are happy to remember it as one with plenty of spirit, effort, and team cooperation.

Mike Frick is recognized as the most valuable player for this year's basketball season. He was the leading scorer in the games and was a valuable asset to the team.

Thanks to Coach Carr the team members put forth all their effort and team work to make this season a very interesting one.

In the future, at Magnolia, or at another school, the team members hope to improve their playing and make whatever team they are on a winning one.

Mr. Chavez gives the junior varsity a little warm-up talk.

This year's junior varsity football team showed character and pride which is typical of Dale's athletic teams. After losing the first four games they came back and proved they were winners by winning the last three games.

The Dale Jr. Varsity is ready to crack the other team.

A few of the trophies won this year by the Auxiliary Unit.

Miss Powell
Advisor

The Auxiliary Unit met as a class this year. The girls came to practice at 7:20 on Tuesday, Wednesday, and Thursday mornings. They wore their day uniforms one day a week to show their school spirit.

The girls participated in many activities during the year including parades, performances, and fund raising activities. Two first place trophies were won--one at Placentia and another at Azusa.

Miss Powell made the year a very rewarding one for the girls.

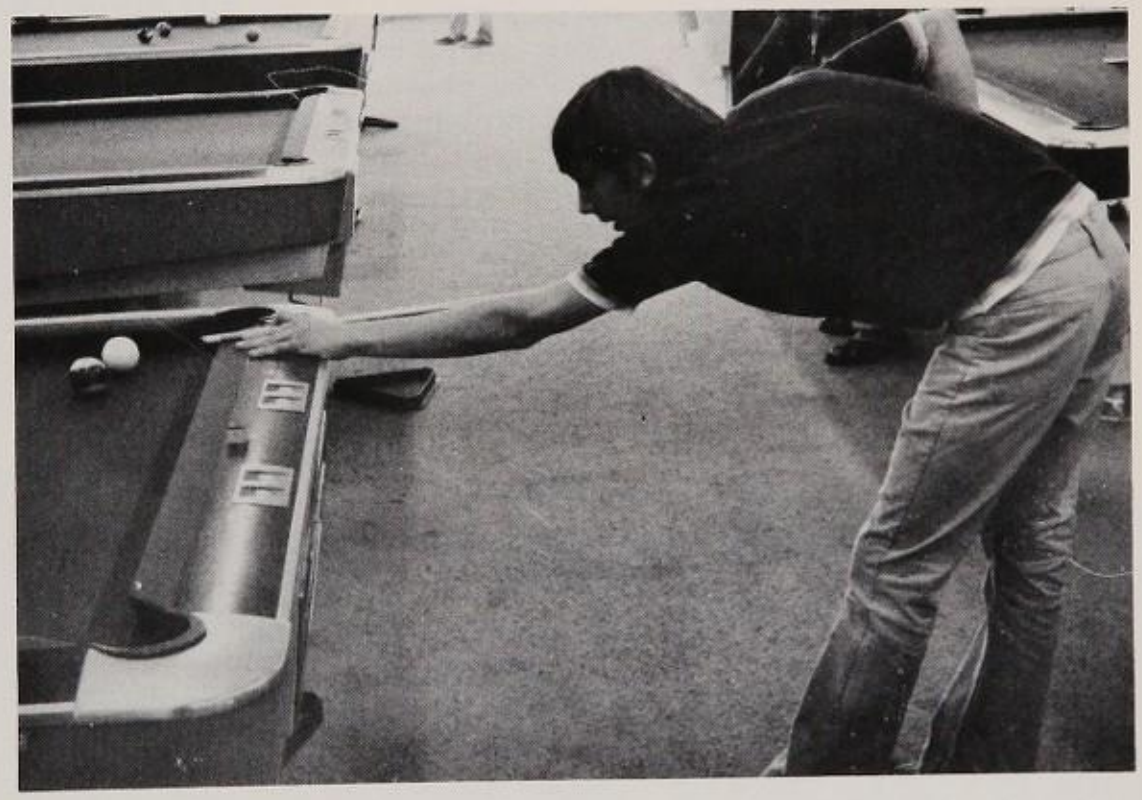
Career Club

Career Club, sponsored by Mrs. Bush, is composed of students who are interested in learning more about possible careers of the future. Discussions and guest speakers helped provide valuable information.

Billiards Club



The Billiards Club meets informally once a week at the Cue and Cushion to play pool. A tournament is held once a month. The sponsors are Mr. Corkum and Mr. Peralta.

Table Tennis Club

Students interested in playing table tennis meet at 7:30 when the weather permits. The sponsor of this informal club is Mr. Corkum.

Teacher aides are here to stay

The nineteen teacher aides for elementary schools help the teachers in the classes and in physical education. They leave Dale after sixth period and help at the elementary schools until three o'clock.

Teacher aides at Hope help lead games and drills, operate equipment, supervise lockers and do other helpful duties. Each of the twenty-one aides goes to Hope for one period each day.

One hundred fifty-nine student aides at Dale help run off ditoes, type, file, record grades, and do many other related activities.

Dale operates with our help

Office Production offers 9th graders "on the job training." Work involves typing, duplicating, proofreading, gathering & stapling, filing & teacher aide.

Faculty

It's strange how the ignorant refuse to study and the intelligent never stop.

On behalf of the faculty and staff, it is a pleasure to extend our best wishes for success to the Class of '73. It is our hope that all of you become productively involved in the program at Magnolia High School. You have our best wishes.

We are looking forward to welcoming our present seventh and eighth graders back to school in September. Next year is your opportunity to maintain the fine traditions of Dale Junior High School, and to provide the leadership for the incoming seventh grade students.

Sincerely,

C. Warren Bratcher

Lancers,

This is the only chance I will get to thank all the people who helped make this year a good and exciting one.

First, I want to thank the Student Council and our sponsors, Mr. O'Brien and Mr. Brown. I'd also like to thank Mr. Thomas for going along with a lot of our ideas and all the faculty and administration for helping to make the many new activities we had a big success such as Clash Day, Sadie Hawkins Day, the King and Queen Contest, and many others. You Lancers showed your spirit and pride by participating in activities, joining clubs, supporting the teams, etc.

I hope this year was a year that all of you will remember. I know I always will!

The Photo Staff has taken most of the pictures for the yearbook. They have spent a lot of their extra time taking and developing the pictures. Without the Photo Staff, it would have been difficult to have a yearbook.

SEATED AT FRONT, LEFT TO RIGHT: Cheryl Lee, assistant editor; Layne Kubo, editor. Other staff members: Paula Beccia, Doug Blackburn, Bill Booth, Tracy Christian, Denise Duncan, Steve Eglinton. Jan Fowler, Stacey Gray, Tina Imperiali, David Lantz, Louanne Malensek, Tim Malton, Tracey McGonagle, Corinne Sanders, Ondy Shornick, Barbara Stevenson, Terry Telford, Kerry Therrien, Tim Utz, Jim Vanarsdale

As editor of the 1972-73 LANCER I would like to thank the students of the yearbook staff and the student body for helping to make the yearbook such a success. I hope we have captured all of the memorable events of this year. Many thanks to MISS COLE who helped with the designing of the yearbook cover and to MR. RUSBULT and MR. LEHMAN without whose help the yearbook would not have been possible. I hope in the years to come you will look back and find many happy memories.

Layne Kubo

Kerri,
you have a great personality
keep it up!
See ya in the summer
